Mayor and Council

Town of Lake Council

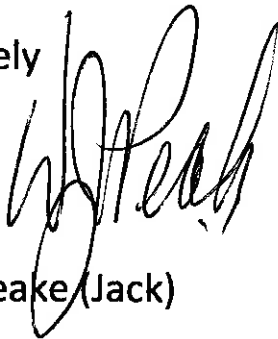

Please find attached documents and photos of a proposal to replace the Arbor at the sound end of the foot bridge in Ohtaki Park.

The donor has laid out the proposal and cost associated with the idea with the arbor itself being a donation and valued at about \$5,000

Since a water line is going to be laid in the area and would prevent the arbor from being placed at this time the proponent is prepared to bring it to Lake Cowichan and store it on his property until it can be put in place.

I am presenting this on his behalf and trust that the Council will see the value of the proposal and support the effort.

Sincerely

A handwritten signature in black ink, appearing to read 'W.J. Peake'.
