**14. MAYOR'S REPORT**

Councillor Vomacka gave a verbal Deputy Mayor report as follows:  
It's been a real eye-opener in five weeks as I've fulfilled my role as Deputy Mayor. I've had a great insight into the daily operations and challenges that our staff and management endure on a daily basis.

On Council, we've been busy working on our Development Approval Procedures Bylaw and our 2026 draft budget, as well as attending our committee meetings. I sat in on staff interviews, met with Domtar regarding the weir, issued a statement with other elected officials against racism in the Cowichan Valley, and extended our Town's sympathies to the Tumbler Ridge community.

Thank you to all our staff that keep our town running smoothly, even taking on increased workloads while others are off for extended timelines.

To my fellow Council members, my appreciation for your support and confidence as we all stepped up during Mayor McGonigle's absence. I couldn't have done it without your help.

Our CAO, Mr. John Thomas, thanks for having regular meetings with me to keep me up to date on daily happenings and in aiding me through decisions that had to be made. Your guidance and faith in me did not go unnoticed.

We have a remarkable team from the top down, and I will defend everyone of you in this organization amidst public complaints and criticisms, which seem to be occurring with great frequency. As it is also being witnessed in neighboring communities by elected officials. This would also be an opportunity to announce Pink Shirt Day tomorrow, February 25th, to stand against bullying.

You all come to work every day, and you do your best to make Lake Cowichan a wonderful place to live. Please know that you are all appreciated by this Council.

And with that—Mayor McGonigle, if you are listening, glad to see you returning and your gavel is waiting for you.
